Dear Rotarians and Friends,

Each year the Beijing Rotary Ball brings together Rotarians of more than 20 nationalities from various professional and business backgrounds and their friends for an evening of glitz, entertainment and networking.

Each year the money raised from this event goes toward the charities Rotarians volunteer in and support. This year Beijing Rotarians will mark the 90th anniversary of the founding of the Beijing Rotary Club and we will celebrate the event in **RED** style and glamour. With unlimited flowing of champagne, you will enjoy the entertainment during gourmet dinner and dancing with renowned Tokyo-based DJ.

We already have a series of embassies & ambassadors confirmed, such as Senegal, Portugal, Switzerland, Germany, Russia, Portugal, Sweden, Benin and others. We also have major corporations lined up such as HSBC, Audi, Daimler, Allianz, BASF, Deutsche Telekom, and more.

Charities

Billed as the oldest Ball event in Beijing, the Rotary Ball aims to raise money for the charities Rotarians personally work on and financially support. With donations and goods and services from our sponsors, 100% of the net proceeds will go toward,

Saving the life of children suffering from congenital heart defects in Gift of Life, the first free heart surgery charity in China to provide life saving surgeries to poor rural children and to provide fully equipped medical vans for free screening in the rural areas.

Keeping poor rural students in schools in China Literacy scholarships.

Preventing potential suicides in Maple hotline to provide psychological counseling to women in distress in north China.

and more.....
